### About Rubiό

For 55 years Laboratorios Rubiό, a family-owned company, has been recognized for the development, manufacture and marketing of medicines with high therapeutic value for specialists as well as of certain drugs for life-threatening diseases, with long expertise in niche markets.

Laboratorios Rubiό's determination to meet the health needs of every single patient has led the company to be distinguished as per being pioneer of products targeted to low incidence diseases which affect only a small number of patients and that require the development of specific pharmaceutical products to treat them.

### International Alliances and Partnering Strategy

Laboratorios Rubiό has established a strong network of partnerships through in and out activities and commercial distribution agreements. Laboratorios Rubiό has been in the export business since 1982 and has alliances in over 60 countries. Laboratorios Rubiό is constantly exploring new territories and partnerships.
